Due to the miracle of modern photography, this issue of the *K-FACTOR* carries the first known photograph of Ramon's knees (below), just as they appeared at the Masters. The knees have been positively identified as being absolutely genuine by Mary McClellan, Ramon's wife (and the greatest living expert on McClellan knees).

After the Masters, it was on to the Canadian Nats for our lads, at the invitation of none other than Ivan Kristensen, Canada's Premier Pattern Pilot, or CPPP. This is not to be confused with the CCCP, which has a whole damn bunch of Ivans in it. The U.S. and District 8 in particular can be very proud of the reception shown our guys by our neighbors to the north, although an extremely reliable source well placed in the Kristensen household informs me that the relaxed atmosphere of the affair was nearly interrupted by serious excitement on several occasions, once in the air, and once on the ground. Fortunately, a hand crank WAS available, and most Mounties ARE near sighted. Due to a large bribe which I have already spent, I am unable to provide more details...

The Air Hog Brothers finally returned to District 8 at our very own Nationals. In appreciation for their heroic effort to spread the District 8 attitude over all Patterndom, it was my very great honor to present them with Air Hog Brothers shirts, carrying both the Air Hog and NSRCA logos, at absolutely no cost to them. This was the least we could do, so we did it. Will the Air Hog Saga continue? Will the Shirts Ones be coming soon to a field near you? Will an Air Hog actually be our correspondent at the World Championships? Will they make yet another Nats? Does Rosie actually do ALL of Motor's thinking, or does she just handle the hard stuff? Does Joan Anastasio REALLY wear a Rick Allison watch, and if she does, where did she get it, and who really cares? Stick around....

IN MEMORIAM

It is my sad duty to report the passing of Terry Muggli, well known District 8 competitor. Terry had been fighting cancer for some time, but was competing and helping others to the last. He died June 25th, while the rest of us were enjoying blue skies and perfect air at one of his favorite contests, the Chelan meet. I later saw his name on the flight order at the Nats. I like to think that means he made it. We'll miss you, Terry.

TIP OF THE MONTH

Never go to 5 contests in 5 weeks unless you are young, strong, or stupid. It may help to be all three. See ya at the field. - Rick -
