October 5-6, 2019  
BVRC Field, College Station, TX

**Registration (begins at 7:30 a.m.)**

- All classes - Sportsman through FAI. Events: 401, 402, 403, 404 and 406
- FAI will fly P21 sequence both Saturday and Sunday
- Any AMA legal aircraft for Sportsman.
- Trophies for first through third in all classes.
- Pilot Fee: \$40 (includes entry fee and lunch Saturday).

**Pilots meeting will be at 8:30 am Saturday.** We will fly one flight line early in the morning facing North with take off and landing being either a 0 or a 10 to keep the sun out of the box and then switch to normal procedure with 2 flight lines facing East with take off and landing being scored in AMA classes after the sun is high enough. This will allow us to fly more rounds.

## **Food**

Hamburger lunch with all the fix'ins included in registration for Saturday and available for purchase on Sunday.

## **Field**

The field will be open for practice Friday at 10 am. We have charging stations and available electricity throughout the pits for charging

The field is located just east of Bryan/College Station. From College Station, head north on Hwy 6 to Hwy 21. Take Hwy 21 East for 4.75 to the stop light, FM 2776, in Wixon Valley. Turn left and head north for .4 of a mile. We are the second entrance on the left. The runway is a well-maintained grass runway 900 ft x 200 ft.

## **Lodging**

College Station is the home of Texas A&M University. Every hotel chain you can imagine is here in our little town. The Best Western, 1920 Austins Colony Pkwy, Bryan, TX 77802, phone: 979.731.5300 is highly recommended and a short drive from the field. RVs are welcome at the field at no cost; no hookups. This is an away weekend for Texas A&M football. I would highly recommend comparing rates at [www.trivago.com](http://www.trivago.com) for best prices and results.

## **Things to bring**

Bring your shelter. We have a shaded pit area, but it isn't huge. Bug spray. Our varmits aren't that bad, but we do have a few.
